## huntvendetta1337's Review of [Evita Moren](#) - Spicy Details

### General Description

It was a horrible week for me because a provider ripped me off. So to ease my stress, I knew I had to find someone else. Fortunately, I found Evita's ad and contacted her through email and text. I have seen almost more than 10 providers, and she is probably the fastest when it comes to the verification/screening process. Within the next day, we are good to go. She gave me the address in the evening. When it was time, I was on my way to the apartment and told her I was downstairs. Waited 10 minutes, and Evita came to meet me since the buzzer was not working. She was wearing a robe, and what's underneath was one hell of a sexy outfit

### The Juicy Details

First of all, Let's get the important information out of the way. Definitely not a clock watcher ; DFK ; accept requested attire if she has it. Second, if I had a great time with her, then anyone else would probably too because I had one of the most horrendous week in the hobby after being ripped off. I also trained very hard the day before I was meeting Evita. So I was not quite in the headspace that I should be.

Once we got into the apartment, we immediately DFK and groped. She has very soft lips and one of the most beautifully shaped ass. Took my clothes off and went to the shower. when I came back, Evita was wearing a sexy outfit with high stockings and garter. we DFK

some more and she starts playing with herself while I stroke my cock. I told her to turn around and show me her ass. At that moment, I could no longer take it and needed to fuck her doggy. I fucked her hard and her moans brought me closer to ecstasy. Warning: She is seriously tight!. I start tasting her delicious juicy pussy, and put my fingers in, but she did not seem to like FIV, but that is fine with me. Transition into a sensual bbbj and it was freaking amazing. she asked "are you going to fuck me again" My lord ! With that ass, not fucking her doggy one more time was not an option. What a beautiful sight, fucking her while playing with her ass. Maybe one day I will analyze her ass and bury my cock deep inside, then spread those ass cheeks to make a masterpiece gap. Finally, I told her to put her pussy on my face till I was ready to blow. She kneels down and took all my juice in her mouth, but before she spits, Evita gave me a quick tease, opening her mouth and showed me her slimy tongue filled with my cum. HOLYFUCK THAT WAS HOT. I only wish she gave me a longer and closer view. Before we say our goodbyes, we got to know each other more and talked about random stuff from business to general life matters.

## Testimonials

Sure, there are tons of review sites out there for escorts. But comparing them to EM is like saying you'd rather drive a Honda Civic, instead of an Audi.
